

INTERIOR DESIGN PACKAGE RENOVATIONS

This Pre-Build Selection package is a favourite amongst couples and families embarking on a renovation! This package is designed to take the stress out of the build process, providing you with the right design advice to present to your builder, enabling a smooth and enjoyable process, and peace of mind.

Claire Limbrick, qualified Interior Designer and owner of Chameleon Avenue will personally consult with you and spend the time you need to get the very best finish for your home. Once you have received your plans and details from your builder we will meet to discuss all aspects available to you. We are able to work through each room independently while ensuring the perfect flow throughout the home.

At your consultations we will discuss the choices your builder offers which usually include the following selections;

- Exterior Finishes
- Windows and Doors
- Plumbing Fixtures
- Electrical Fixtures and Lighting
- Appliances
- Cabinetry and Wardrobes
- Benchtops
- Flooring
- Door and Cabinetry Hardware
- Paint Colours
- Bathroom and Miscellaneous Accessories
- Pool Tiles

Claire will accompany you on shopping trips to suppliers where we will decide on complementary products to ensure a cohesive design. You will then receive a complete, detailed selection schedule for you to hand over to your builder to accurately quote and execute the build.

This Pre-Build Selection Package includes up to 3 hours on-site consultation, to be used before and/or during the build, up to 5 hours for shopping trips and up to 3 hours off-site work including research and defining your selections into a detailed finishing schedule.

Extra options include detailed space plans, elevations, moodboards for furnishings, window furnishings etc. These can be discussed after the pre-build phase as they are relating to items needed towards the end of the project.

Renovation Interior Design Package \$1495 + GST

**Additional hours will be charged at \$110 inc GST per hour.*
